

Woodwind technician

[Demande](#)

Présentation

Flute - Clarinet - Saxophone. Join Sweden's leading wind instrument company for a fulltime.

We are also happy to welcome interns and apprentices to our workshops for both shorter and longer periods.

The job

We are currently looking for a woodwind technician, specialized in one or preferably several of the following instruments:

clarinet, flute, or saxophone. If you have repair experience from double reed or brasswind, even better. You will be joining a team of two highly skilled technicians and a sales team. We are located in central Stockholm, Gothenburg and Malmö, where we offer and repair wind instruments for musicians of all levels from
